

Journal of Architecture

Department of Architecture BUET

Journal of Architecture (JA) is a peer-reviewed research journal published by the Department of Architecture, Bangladesh University of Engineering and Technology, in January and July every year. JA aims to provide a forum for publication of original research and scholarship, for better understanding of the different aspects of and intervention for environment in urban and rural settlements. JA is committed to act as a catalyst to bridge theory, research and practice in the broad field of Architecture of Bangladesh.
